

THE DACHS SONG

There's no other dog like a dachshund
walking so close to the ground,
they're stubborn and sly as a fox and
the happiest pet to be found.

Dachsie mein-e dachsie,
the best canine under the sun,
call you wiener or sausage or hot dog,
we know that you're number one.

Most kinds of dogs seem to either
have shapes or proportions all wrong,
they're only one way or the other
but dachshunds are both short and long.

Dachsie mein-e dachsie,
the best canine under the sun,
call you wiener or sausage or hot dog,
we know that you're number one.

Proceeds from Cape Cod Doxie Day 2023
will benefit **Friends of Falmouth Dogs..**

THANK YOU to all of our dedicated volunteers,
